No George, it really isn't.
You are guilty.
You pled guilty. Simple.
You are in line for massively more serious superseding indictments.
If you have an ounce of sense, you will plead guilty to those, too.
PS: ditch your GRU handler and reconcile with your mother, she loves you.

I think the best platform for the next Presidential candidate should be "I'm going to be the most boring President ever. Just gonna show up every day & work & try to get stuff done. Might retweet some funny cat/dog videos once in a while. Vote for me & sleep well for 4 years!"

Non-disabled ppl can't ever imagine what it's like to not be able to take 1 single thing for granted. Every place you go, every street you need to cross, every bus you need to get on, every bathroom you need to use, every bank machine- not 1 thing can you assume you can use
